2:25 PM **me**: so
Mel was approached today by a promoter for UFC
2:26 PM **Joshua**: interesting
me: who wants him to join up and start training
Joshua: for how much money
me: not sure yet
they're going to talk soon
Joshua: sounds like the guy is scamming him
me: we'll see
2:27 PM **Joshua**: i predict that the guy is trying to sign him up for an expensive gym membership
me: well, the guy was driving by in some really nice car
Joshua: so - how does mel feel about straub potentially moving into caleb's room
me: and kept honking at him
2:28 PM doesn't matter, mel doesn't have a deposit down
Joshua: probably got the car via scam monies
right
what do you think
me: I'm the dictator here now
Joshua: ?
me: I'm down
Joshua: word
tea and crumpets for all
me: but he has to get me an in with the b-movie writing industry
2:29 PM **Joshua**: who
me: and collaborate with me on Toxic Avengers 7
Joshua: who's collaborating
?
straub
me: yes, dummy
no, mel
Joshua: i c
me: I want mel to be my writing partner
Joshua: how much is that going to cost him
2:30 PM to train to write
me: we also need to replace caleb's $900 deposit on this place
Joshua: i say 500 a month

me: when he moves out
Joshua: i know
that's the sticky issue
i think straub can get 500 in 3 weeks and i think his mom will double that
me: word
2:31 PM he can move in before that and live in the living room, also
Joshua: i think that he could have a grand by oct
me: word
Joshua: right
i think he's motivated to do so
caleb said he would be out in 3 weeks or around that right
2:32 PM i think its an opportune situation and beneficial for all parties
me: think so, not sure what caleb's exact plan is
2:33 PM **Joshua**: straub and i talked to him yesterday - that's the impression i got from the conversation
how was your meeting/hangout with stein's friend?
2:34 PM helpful , annoying?
2:35 PM **me**: good guy
Joshua: got any leads?
me: LEADS?
Joshua: you know leads

I'll probably e-mail him at some point
Joshua: word

and foes
Joshua: good deal
